Overview of Comprehensible Input

Jason Tamez is a French and Spanish teacher. He attended the International Forum on Language Teaching (iFLT) for the past three years and has been trained in CI (Comprehensible Input) by Fluency Fast.

October 3, 2017
4pm-6:30pm

Ardsley Middle School
700 Ashford Ave, Ardsley, NY 10502

"Ever since I've been using CI in my classes, I have more fun teaching and I feel I'm doing better by my students by not just "covering" the curriculum. I've been allowed to focus more on what the students can DO with the language than how much they know about it. All students can become proficient in another language and teaching with CI is very effective in helping students get there!"~ Jason Tamez

Please R.S.V.P. to powerfuleducators@hotmail.com. Don't miss this great opportunity to learn something new!

***PWRFL is an approved Sponsor of Continuing Teacher and Leader Education (CTLE) pursuant to Section 80-6 of the Regulations of the Commissioner of Education, beginning July 1, 2016 and ending June 30, 2021. CTLE Identification number: 3398*
