Welcome Back to School Edition

We hope everyone has had a restful, regenerative summer and wish you the best in your next school year whether it's your 1st, 10th or more! We have taken suggestions from members and incorporated them into creating a great line-up of PD for this school year! Our spring conference has already been approved so mark your calendars now!

Congratulations to our re-elected officers who will stay in their same positions and continue to guide us in our world language efforts!
