Heather Temple- This workshop will share options for

traveling during the summer months without having to pay out of pocket! Such programs include Fund For Teachers (an organization that allows you to design your own professional development and receive up to \$10,000 for doing so), Summer China Travel and Teaching Program (a program that allows you to teach English for 12 days and travel around China for the remaining 18, all expenses paid!), and last but not least NYSAFLT (learning opportunity scholarships).
